Lying underneath the cover  
In my hand a perfect lover  
No rejection, no contraception  
No commitment, just ejaculation  
Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid

Prostitution is my aim  
Shagging in an alleyway  
... just made my day (?)  
No rejection, no contraception  
No commitment, just ejaculation

Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid

Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid  
Just got paid, I can't get laid
