Girlfriend in a coma, I know, I know, it's serious,  
Girlfriend in a coma, I know, I know, it's really serious.  
There were times when I could have murdered her,  
But you know I would hate anything to happen to her,  
No I don't want to see her.

Do you really think she'll pull through?  
Do you really think she'll pull through?  
Doohoo ohoo oo hoo

Girlfriend in a coma, I know, I know, it's serious,  
My, my, my, my, my, my baby, you're mine.  
There were times when I could have strangled her,  
But you know I would hate anything to happen to her.  
Would you please let me see her.

Do you really think she'll pull through,  
Do you really think she'll pull through,  
Doohoo ohoo oo hoo

Let me whisper my last goodbyes, I know, it's serious.
