Hand in glove
the sun shines out of our behinds

No it's NOT like any other love
this one's different
because it's us!

Hand in glove
we can go wherever we please
and everything depends upon
how near you stand to me

And if the people stare
then, the people stare
oh I really don't know
and I really don't care

Hand in glove
the Good People laugh

Yes, we may be hidden by "rags"
but we have something they'll never have

Hand in glove
the sun shines out of our behinds

Yes, we may be hidden by "rags"
but we have something they'll never have

And if the people stare
then, the people stare
oh I really don't know
and I really don't care

So hand in glove I stake my claim
I'll fight to the last breath

If they dare touch a hair on your head
I'll fight to the last breath

The good life is out there somewhere

so stay on my arm, you little charmer

But I know my luck too well
yes, I know my luck too well
and I'll probably never see you again
I'll probably never see you again
I'll probably never see you again
