It's time the tale were told  
Of how you took a child  
And you made him old

It's time the tale were told  
Of how you took a child  
And you made him old  
You made him old

Reel around the fountain  
Slap me on the patio  
I'll take it now

Fifteen minutes with you  
Well, I wouldn't say no  
People said that you were virtually dead  
And they were so wrong

Fifteen minutes with you  
Well, I wouldn't say no  
People said that you were easily led  
And they were half-right  
They were half-right

It's time the tale were told  
Of how you took a child  
And you made him old

It's time that the tale were told  
Of how you took a child  
And you made him old  
You made him old

Reel around the fountain  
Slap me on the patio  
I'll take it now

Fifteen minutes with you  
I wouldn't say no  
People see no worth in you  
But I do

Fifteen minutes with you  
I wouldn't say no  
People see no worth in you  
I do, oh I do

I dreamt about you last night  
And I fell out of bed twice  
You can pin and mount me like a butterfly

But "take me to the haven of your bed"  
Was something that you never said  
Two lumps, please  
You're the bee's knees  
But so am I

Meet me at the fountain  
Shove me on the patio  
I'll take it slowly

Fifteen minutes with you  
I wouldn't say no  
People see no worth in you  
But I do

Fifteen minutes with you  
No, I wouldn't say no  
People see no worth in you  
I do, oh I do  
Oh, I do  
Oh, I do  
Oh, I do
