Oh, the nights are too long  
When the questions are long  
I tried, but I will never understand  
What Do You See In Him ?  
What Do You See In Him ?  
Oh ...

She's the lifeblood of me  
As you walk hand in hand  
And I try, and I try, and I try  
But I will never understand  
Oh, What Do You See In Him ?  
I ask myself :-  
What Do You See In Him ?  
Oh ...

But she will plague you and I will be glad  
Yes, she will plague you and I will be glad  
Oh ...  
Oh ...
