Charlie you're not my Charlie any more, screwing it up,
You're giving your soul with an audience looking on,
If I hadn't left early last night I would have made a
speech to you,
You're not the only one, you're going to hurt.
If you don't believe me, I don't believe in you
If you don't believe me, I don't believe in you
Makes it all feel better, Does it? Makes you feel like
heaven does it
You loved it and you spent accordingly, You can't
afford it now,
You can't afford it now, You can't afford it now
You'll try and you'll fail, and love it like a little dog,
And feed it on the scraps you find, And kiss it while
you're still asleep,
You buy now and pay later,
So where's the problem you can ask, If you keep your
head up
The road is long and you're falling asleep at the wheel
There's a girl who's going crazy about you and I'm not
far behind
And you care about your friends anymore
If you don't believe me I don't believe in you
If you don't believe me I don't believe in you
Makes it all feel better Does it?
Makes you feel like heaven Does it?
You loved it and you spent accordingly,
You can't afford it now, You can't afford it now,
You can't afford it now, You'll try and you'll fail,
And love it like a little dog, and feed it on the scraps
you find,
And kiss it while you're still asleep,
You buy now and pay later,
You buy now and pay later,
There's a girl going crazy about you and I'm not far
behind.
