I will not go quietly
I will not accept your rules
Gonna live with myself
Before I live with any of you

I will not go quietly
I will not behave myself
Itâ€™s not for sake of fighting
Itâ€™s not for you or anyone else

And I was the best, you all knew it
On the days I cared at all
You can all say I blew it
Youâ€™ll be talking bout me for years

I was my own man can y'all say that?
I was my own man can y'all say that?
I was my own man, yeah I was the shit

I donâ€™t believe in Bonds
Donâ€™t believe in rugby league
I believe in Yoko, John Lennon
Last weekend and me

Well, I was the best you all knew it
On the days I cared at all
Now you can all say I blew it
Youâ€™ll be talking bout me for years

I was my own man can y'all say that?
I was my own man can y'all say that?
I was my own man, yeah I was the shit

I will not go quietly, I will not go quietly
I will not accept your rules
I donâ€™t believe in Bonds
Donâ€™t believe in rugby league

I will not go quietly
I will not go quietly
I will not go quietly
