Visit "[Jumpin' Leprechauns](#)" on MotoLyrics.com

Back in the park, nearly dark
What do i now hear hark hark
Is it really leprechauns that have come back to rock n
roll?
Yes it's them out on the lawn
Been so long since they've been gone
Mother nature's leprechauns have come back to rock n
roll
ba da da da da dia da
ba da da da da dia
ba da da da da dia da
come back to rock n roll
Now see them rockin' and a rollin'
They're wobblin' and a wiggling
They're stompin' and a giggling
They hear rock n roll
Yes it's them out on the lawn
Been so long since they been gone
Mother nature's leprechauns have come back to rock n
roll
With a how you doing? how you been?
It's so good to see you back my friend
I know right now it was never meant to end
Come back to rock n roll
