I've been watching you  
for so long now  
You know i feel  
just a little ashamed  
You know i follow you  
wherever you go  
Hoping someday  
things might change  
Maybe someday  
you will notice me  
And this won't be  
just a game  
You know i've seen  
every show you've ever done  
YOu don't even know my name  
Maybe Monday  
hopefully someday  
Yeah all my luck will change  
'Till then i'll just follow you  
Wherever you go  
'Cause you don't even  
know my name
