WHITNEY:

Dame un beso para siempre

ENRIQUE:

Over and over I look in your eyes

You are all I desire

You have captured me

I want to hold you

I want to be close to you

I never want to let go

WHITNEY:

I wish that this night would never end

I need to know

CHORUS (together):

Could I hold you for a lifetime

Could I look into your eyes

Could I have this night to share this night together

Could I hold you close beside me

Could I hold you for all time

Could I, could I, could I have this kiss forever

WHITNEY:

Over and over I've dreamed of this night

Now you're here by my side

You are next to me

(You are next to me)

I want to hold you and touch you and taste you

And make you want no one but me

I wish that this kiss could never end

Oh baby please

CHORUS:

Could I hold you for a lifetime

Could I look into your eyes

Could I have this night to share this night together

Un beso para siempre (Enrique),

Para siempre (Whitney)

Could I hold you close beside me

Could I hold you for all time

Could I, could I, could I have this kiss forever

BRIDGE(together)

I don't want any night to go by

Without you by my side

I just want all my days

Spent being next to you

Lived for just loving you

And baby, oh by the way

CHORUS

Sí, sí, un beso, un beso para siempre (Enrique)

Para siempre (Whitney)

Dame un beso para siempre (Enrique)

Para siempre (Whitney)

Could I have this kiss forever

Could I have this kiss forever
