FINE

It's fine, fine, fine, fine, fine
It's alright, had a dream last night
That the world stopped turning
But your madness it kept on
Guess I wasn't too bright
And I really wasn't learning
Should have seen it all along.

All those sweet (sweet) sweet kisses (yeah)
And those sweet (sweet) red roses (yeah)
They convinced me it was you
I made you (you) exclusive (yeah)
Now it's so (now it's conclusive that) conclusive
That you wasn't doing it too.

Chorus (x2):

If you'd told me from the start that you're playing
around
It would have been fineâ€¦
Then I would have played too and I guess
I would have had a good time.

Something didn't feel right, and I wish I knew it
I just could not see your games
I got respect for you, and you put me through it
Why would you bring me so much pain.

I would stick up for you, 'cause I did (I did adore you)
adore you
While my dogs would chew you out
Tried to be so nice on those lonely nights
(On those lonely, lonely, lonely nights)
But I should have figured you out.

Chorus (x2)

Baby you're so fine (You are the one that I love)
You are so fine (Your love was sent from above)
You are so, you're fine, fine, fine, fine, fine, fine, fine,

fine, fine, fine
(So doggone fine)
Baby you're so fine (You are the one that I love)
You are so fine, fine (Your love was sent from up
above)
Oh you're mine of mine
You're fine, fine, fine, fine, fine, fine, fine, fine, fine,
fine
(So doggone fine)
Fine (You are the one that I love)
Fine (Your love was sent from up above)
You're fine, fine, fine, fine, fine, fine, fine, fine, fine,
fine, fine
(So doggone fine)

Chorus (Repeat)
