1.

I used to cry myself to sleep at night  
That was all, before he came  
I thought love had to hurt to turn on right  
but now he's here, it's not the same, it's not the same....

ref. he fills me up, he gives me love  
more love that I ever seen  
he's all I got, he's all I got in this world  
but he's all the man that I need

2.

And in the morning when I kiss he's eyes, he takes me  
down  
and knocks me strought  
and in the evening when the moon is high  
he holds me close and don't let go, he don't let go
