Just look at me
Look at me

I am changing
Tryin'
Every way I can
I am changing
I'll be better
Than I am
I'm trying
To find a way
To understand
But I need you
I need you
I need a hand

I am changing
Seeing everything
So clear
I am changing
I'm gonna start
Right now
Right here
I'm hoping
To work it out
And I know
That I can
But I need you
I need a hand

All my life
I've been a fool
Who said I could do it
All alone
How many good friends
Have I already lost
How many dark nights
Have I known

Walking down
That wrong road

There was nothing
I could find
All those years
Of darkness
Can make
A person blind
But now I can see

I am changing
Tryin'
Every way I can
I am changing
I'll be better
Than I am
But I need
A friend
To help me start
All over again
Oh
That would be just fine
I know
It's gonna work out
This time
'Cause this time I am
This time I am

I am changing
Gonna get my life
Together now
I am changing
Yes, I know how
I'm gonna start again
I'm leaving
My past behind
I'll change my life
I'll make a vow
And nothing's gonna
Stop me now
Hey
