I believe in you and me
I believe that we will be in love eternally
As far as I can see
You will always be, the one, for me
Oh, yes, you will, I believe in dreams again
I believe that love will never end
And like the river finds the sea

I was lost, now I'm free
I believe in you and me

I will never leave your side
I will never hurt your pride
When all the chips are down I will always be around
Just to be right where you are, my love
You know I love you, boy, I will never leave you out
I will always let you in, boy
Oh, baby, to places no one's ever been
Deep inside can't you see, I believe in you and me

Maybe I'm a fool to feel the way I do
But I would be the fool forever
Just to be with you forever
I believe in miracles, love is a miracle
And baby, you're a dream come true

1-I was lost, now I'm free
Oh, baby, 'cause I do believe
I do believe in you and me
(rpt 1)

You know that I do
I really do believe in you and me
