From the moment I saw you  
I was outta my mind  
I never believed in love at first sight  
But you got a magic boy  
That I just can't explain  
Well you gotta, you gotta way that your makin' me feel I  
can do  
I can do anything for ya baby  
I'll be down for ya baby  
Lay all my cards out tonight  
Just call on me baby  
I'll be there in a hurry  
It's your move now baby,  
Baby decide!

Chorus:  
Whatever you want from me  
I'm givin' you everything  
And I'm your baby tonight(Subsequently add "I'm your  
baby")(no "and" backgrnd)  
You've given me ecstasy (Subsequently change to  
"ecsta-ecstasy")  
You are my fantasy (Subsequently change to "You are  
my fanta-fantasy")  
And I'm your baby tonight  
(no "and" backgrnd)(Subsequently add "I'm your baby")

From the second you touched me  
I was ready to die  
I've never been fatal, on my first time  
I feel like an angel, who just started to fly  
Well you got a, you got a way that your makin' me  
Feel I can, feel I can, do anything for ya baby  
I will fly for ya baby, hold on and enjoy the ride  
I'm not in no hurry baby, We can fly all night baby  
It's your move, now baby  
Baby let's fly!

Chorus

Whatever I do boy

It's all about you baby  
And ain't the truth boy  
I'm helplessly in love with you  
What else can I do boy  
But be there for you baby  
You got a you got a way that your makin' me  
Feel I can feel I can do any do anyooo

Yeah yeah

Yeah yeah baby

Yeahoo

Chorus

Now it's like I'm fatal, It's all on the table  
And baby you hold the cards, and You got the magic  
And I gotta have it, I don't want the pieces  
I want every single part, I'll be your angel  
I'm ready and able, Whatever you want is fine  
Whenever you're ready, just call on your lady  
I'll be your baby tonight

Chorus
