SPOKEN INTERACTION

A: So now what is this?

W: Well you know

A: That my man is supposed to be interested in you?

W: What can I say

A: You know, I realize that you're under pressure.

W: Yes, I am

A: And that you are suffering from delusions, but uh

W: Well

A: Don't be ridiculous

W: I'm not

A: Get Real!

W: You better get real!

You know the deal, he told me he loves me and that I'm
just his forever

A: Uh huh... forever

W: Forever

A: Must have played out about 20 years ago. Now check
this out. Your man is not my man!

W: This is true!

A: Uh huh

W: This is true.

A: Now, every king has his queen, and I love my role
being his queen

And I hope you like yours too...

W: Well, I'm his princess

A: ...whatever that is...

W: (Bursts into laughter) Wait a minute....wait

A: Come on now...

W: OK...Well he said that I'm his princess... you might be his queen, but I'm his princess

A: Yeah, well, I like being the queen myself

W: Well, you know that's what you are, (bursts into laughter again)

A: Shut up....(laughs)...shut up!

W: Oh, this is funny
