(Feat. Akon)

Akon:

(Konvict, konvict, konvict)

Akon and Whitney, yay

Whitney:

Oh, yeah

(Oh, yeah)

Did you ever wish

(Wish)

You could get

Back something

(Uh, huh)

That you did in your past

(Yeah)

If it wasn't for me

I know what we had

Would definitely gonna last

I admit

(Admit)

That we say some things

(Uh, huh)

We don't mean

When we're mad

(Yeah)

But I realize

(Yeah)

That I've been foolish

I never should have

(Yeah)

Turned my back

'Cause it's

A cold world

When you

Are out there

(Uh huh)

All alone

(All alone)

So many times

That I wanted to just
Pick up the phone
(Up the phone)
And tell you
Ooh, baby
Baby
I miss your love
And so
I ain't holding
Back no more
(Yeah)
Your girl
Is coming home
(Yeah)

Chorus:
And I want you
To love me
Like I never left
And I want you
To hold me
Like I never left
And I want you
To touch me
Like I never left
Come give me
What I'm missing
Like I never left
(Yeah, yeah)

Akon:
Do you think
(Think)
We could pick up
(Uh, huh)
Where we left off
Before the day
(The day, yeah)
That I told you
It was over
Packed my things
And moved away
(Moved away)
'Cause I see
(See)
That without you
(Uh, huh)
My world is just
An empty place
(Place)
Taking one step away

(Yeah)
From you feels
Like a million miles away
(Yeah)

'Cause it's
A cold world
When you
Are out there
(Uh, huh)
All alone
(All alone)
So many times
I wanted to just
Pick up the phone
(Up the phone)
And tell you
Ooh, baby
Baby
I miss your love
And so
But I ain't holding
Back no more
(No)
'Cause your man
Is coming home
(No)

Chorus

Whitney:
I had enough
I miss you bad
What I did
Leave in the past
Yes, your girl
Is coming back
Like I never left
(Oh)

Akon:
Say back
In the building
Back on the block
You and me together
We back on top
Kinda love we got
It just don't stop
Like I never left

Whitney:

I had enough
I miss you bad
(I miss you bad)
What I did
Leave in the past
(Yeah)
Yes, your girl
Is coming back
Like I never left
(I'm coming back home, boy)

Akon:
Say back
In the building

Whitney:
I'm coming back home, boy

Akon:
Back on the block
You and me together
We back on top

Whitney:
Yeah, yeah, yeah

Akon:
Kinda love we got
It just don't stop
Like I never left

(Chorus)

Whitney:
Oh, baby
Come love me
Come hold me
Come touch me
Come give me
Like I never left
I never left you, baby

Oh, baby
Come love me
Come hold me
Come touch me
Come give me
Like I never left
I never left you, baby
