How could I throw away a miracle
How could I face another day
It's all of my doing
I made a choice
And today I pay
My heart is full of pain
How could you understand
The way I feel
How could you relate to so much pain
Seems as though nothing can comfort me
So today I pray
That someone should listen for

Chorus:
Nothing should matter
Not when love grows inside you
The choice is yours
There's a miracle in store
Nothing should matter
Not when love grows inside you
A voice of love is crying out
Don't throw away love away
There's a miracle in store

How could I let go of a miracle
Nothing could ever take it's place
Thought I was looking
Out for myself
Now it seems the pain
Is all that I have gained
I wonder if I could be your miracle
I wonder if I could spare you pain
Seems as though nothing will comfort me
Less today I pray
That you should come listen

Repeat chorus

Don't ever throw away your miracle
Don't let it slip away
Nothing should matter

Repeat chorus
