Like a candle
Burning bright
Love is glowing in your eyes
A flame to light our way
That burns brighter everyday
But now I have you
Nobody loves me like you do

Like a leaf
Upon the wind
I could find a place to land
I dream the hours away
And wonder everyday
Do dreams come true
Nobody loves me like you do

Chorus:
What if I never met you
Where would I be right now
Funny how life just falls in place somehow
Ooh you touched my heart in places
That I never even knew
'cause nobody loves me like you do

Mm I was words without a tune
I was a song still unsung
Poem with no rhyme
A dancer out of time
But now there's you
Nobody loves me like you do

Chorus:
What if I never met you
Where would I be right now
Funny how life just falls in place somehow
Ooh you touched my heart in places
That I never even knew
Nobody loves me like you do
Nobody loves me
Nobody loves me like you do
Nobody loves me like you do
