Na-na-na-na-na
Come on, come on, come on, ho...oh...
Whoa...ho...
This is just for me
Mmm, hmm
Na-na-na-na-na-na-na-na-na
Ha-ha

Kick off my shoes and relax my feet
I hit the kitchen, grab a bite to eat
Now it's been one of those crazy weeks
And I gotta do something special for me

See, hit the salon, get a manic and a pedi
Have a massage, get a sip and then I'm ready
Gotta take time out
And all my real ladies know what I'm talkin' about

Sing, ooh...baby, baby
You don't know what I've been going through
Sing it again now, ooh...baby, baby
It's obvious to see exactly what I need

One of those days (One of those days)
When the sun is shining bright (Shining real bright,
Now, now, now)
And my life is goin' right (Goin' right, right now)
And the simple things are not wasted (Not wasted)

One of those days (One of those days)
When you're cruisin' in your car (Cruisin' in your
Car)
And at night you see the stars (You see the stars)
And it's warm outside and beautiful, yeah

Tonight it's all about me
Just wanna set my body free
Never mind the TV
Tonight I'll just let a little TV watch me

Light the candles, aroma therapy

Hot tub, bubbles surrounding me
Mr. Bigg is in the background
The Isley Brothers gonna hold it down

Sing, ooh...baby, baby
You don't know what I've been going through
Sing it for me, oh, ooh...baby, baby
It's obvious to see exactly what I need

One of those days (I need one of those days)
When the sun is shining bright (Sun is shining bright)
And my life is goin' right (Life is goin' right)
And the simple things are not wasted (Simple things
Are not wasted)

One of those days (One of those days)
When you're cruisin' in your car (Cruising in your
Car)
And at night you see the stars (Ooh, ooh)
And it's warm outside and beautiful

One of those days (One of those days)
When the sun is shining bright (Sun is shining bright)
And my life is goin' right (Life is goin' right)
And the simple things are not wasted (Simple things
Are not wasted)

One of those days
When you're cruisin' in your car (Cruisin' in your
Car)
And at night you see the stars (Can't you see the
Stars)
And it's warm outside and beautiful (So beautiful),
Yeah

Hello, hello
Hello
Hello, hello, hello, hello
I need one of those days
You don't know
Ooh, ooh, ooh

One of those days (One of those days)
When the sun is shining bright (Shining bright)
And my life is goin' right (Goin' right)
And the simple things are not wasted (Never, never
Wasted)

One of those days (One of those days)
When you're cruisin' in your car (Cruising in your
Car)

And at night you see the stars (You see the stars, you
See the stars)
And it's warm outside and beautiful (Oh)

One of those days (One of those days)
When the sun is shining bright (Ooh...)
And my life is goin' right (Oh...oh...oh...)
And the simple things are not wasted

One of those days (One of those days)
When you're cruisin' in your car (One of those days)
And at night you see the stars (Oh...)
And it's all I start to look for, yeah

Yeah
Mmm, yeah
Mmm, yeah
Mmm, yeah
Ha-ha
