(Duet with Jermaine Jackson)

Time can pass so slowly, when you feel so all alone  
Love can strike like lightning, when you find your heart  
a home  
I've seen it in the movies, read about it in a book  
I never thought I would feel it, but your touch was all it  
took

Chorus:

Take good care of my heart  
Take good care of my heart  
Baby you're the first to take it  
You're the only one who can break it  
I love you more than I should  
But it keeps me feeling so good  
I've waited for your love for ever  
You're the one to take good care of my heart

Come and make you're magic, til you have me  
hypnotised  
If we get any closer, I'll be drowning in your eyes  
You're the one I needed most, when my love was on the  
line  
I'm so glad you gave me yours, when I gave you mine

Chorus
