I'm reachin' for my dreams  
And you're so quick to say what I can't do  
You criticize my actions  
But I don't see you standin' in my shoes

I'm goin' the wrong way, I'm doin' the wrong things  
Every word just gives me fuel  
So come on, come on, come on, come on  
Come on, come on

And tell me no  
And I'll show you I can  
And tell me no  
And I'll dig my feet right in

And tell me no  
Just tell me that I can't win  
So come on, I'm sure I'll prove you wrong  
Go on and go  
Tell me no

For every step I take  
You're right there trying to block my next move  
And if you're making me feel bad  
Then tell me then do you feel good

I'm just human, all I'm doin'  
Is what my heart tells me I should  
So come on, come on, come on, come on  
Come on, come on

And tell me no  
And I'll show you I can  
And tell me no  
And I'll dig my feet right in

And tell me no  
Just tell me that I can't win  
So come on, I'm sure I'll prove you wrong  
Go on and go  
Tell me no

No, no, no, no, no, no, no  
It motivates me more and more  
And I think it's time they know  
Give them something to look for  
And I can't wait for the day  
I can rub things in your face  
I ain't gon' stop till I'm done  
I'll reach the top, I'm number one  
For every time you try and tell me no  
I ain't listening, keep on keeping on

Tell me no  
And I'll show you I can  
And tell me no  
And I'll dig my feet right in

Tell me no  
Just tell me that I can't win  
So come on, I'm sure I'll prove you wrong  
Go on and go  
Tell me no

Tell me no  
And I'll show you I can  
Tell me no  
And I'll dig my feet right in

Tell me no  
Just tell me that I can't win  
So come on, I'm sure I'll prove you wrong  
Go on and go  
Tell me no

So come on, I'm sure I'll prove you wrong  
Go on and go  
Tell me no
