Impossible things are happening everyday...

Someone wants you  
You know who  
Now you're living  
There's music in you

Now you'll hear  
Something new  
Someone's playing  
The music in you

Now you're living  
You know why  
Now there's nothing  
You won't try

Move a mountain  
Light the sky  
Make a wish come true  
There is music in you

Now you can go where ever you want to go  
Now you can do whatever you want to do  
Now you can be whatever you want to be  
And love is a song you will your whole life through

Move a mountain  
Light the sky  
Make a wish come true  
There is music in you

In youuuuuuuuuuuuuuuuu...
