P. Diddy:  
You ready.  
It's time for you to speak up  
Bad Boy Baby  
Whitney Houston  
As we procede

Whitney:  
Well, well, well, well  
Hey  
Whoooo

Chorus:  
Why you lookin' at me  
Don't get mad at me  
'Cause I'm still gonna be me  
(Tell me, Tell me, Tell me)  
Whatchulookinat  
(Tell me, Tell me, Tell me)  
Whatchulookinat  
I feel your eyes on me  
You been telling lies on me  
(Tell me, Tell me, Tell me)  
Whatchulookinat  
(Tell me, Tell me, Tell me)

See I don't understand  
Why you keep peepin' me  
When you don't even like me  
You're after me and my man  
Don't think you're stressing me  
'Cause your lies don't excite me, no no

(Never thought)  
Never thought, Never thought  
(Never knew)  
Never knew that you would do this to me  
Do this to me  
(Try to ruin me) Ruin me  
(Be my enemy) Be my enemy  
(Never thought)

Never thought, Never thought, Never thought  
(That you) That you  
Would act as if you're cool with me  
So why you lookin' at me

Why you lookin' at me  
(Don't get mad at me)  
Don't get mad  
( 'Cause I'm still gonna be) Gonna be me  
(Tell me, Tell me, Tell me)  
(Whatchulookinat)  
Me, Me, Me  
(Tell me, Tell me, Tell me)  
(Whatchulookinat)  
Tell me whatchulookinat  
(I feel your eyes on me)  
Feel your eyes  
(You been telling lies on me)  
Telling lies  
(Tell me, Tell me, Tell me)  
Tell me  
Why You looki at me

Oh you know you're wrong  
Don't wanna respect my song  
But it's okay 'cause either way  
My following is real strong  
You try so hard to show the whole world what I do-
