[Chorus]

Keep doing what your doing praise God all day  
no matter what people may say  
where my dogs at roof  
where my ladies at owww  
and if you didn't know the messenger you know now

[Verse 1]

I wake up in the morning pull the sheets from my head  
Wipe the sleep from eyes get up off the bed  
Still kind of sleepy so I walk round half dead  
Step in the studio cause I got tracks in my head  
Say a prayer to the father he's my number one choice  
Got e-mail from my homies KaBuc and The VOICE  
Write rhymes all day sit back and reminisce  
Give thanks to the father for the good life I lived  
I'm not rich in cash but I'm the richest in the world  
Got a family who loves me a beautiful wife my girl  
The lord up above has been good to me  
Wakes me up every morning gives me air to breathe  
I know someday I'm gonna reap what I've sacrificed  
Make enough to buy a house for my moms and wife  
But until that day I'll keep doing what I'm doing  
living my life for God steadily pursuing

[Chorus]

[Verse 2]

You've been there thru the good you've been there thru  
the bad  
You've seen me real happy and you've seen me real  
sad  
You're the one who truly knows the rough side of  
Smooth  
And that is why I came to prove  
And give props to the one whom props is due  
The reason why I'm here is because of you  
And I ain't gonna quit till my missions thru  
I'm just getting started mike check one two  
so get used to the sound of the voice you hear why  
when you hear you will now that the lord is nearby

The lord up above has been good to me  
Wakes me up every morning gives me air to breathe  
I know someday I'm gonna reap what I've sacrificed  
Make enough to buy a house for my moms and wife  
But until that day I'll keep doing what I'm doing  
living my life for God constanly pursuing

[Chorus]
