Gotta way to, fill the spaces  
Fill the spaces that we once knew

Gotta way to, fill the spaces  
Fill the spaces that we went through

I'll be goin' to the company store  
I'll be hangin' with my old friends  
I'll be goin' to the company store  
As with my problems they will end

Gotta way to, hear the laughter  
Hear the laughter that we once knew

Gotta way to, feel the feelings  
Feel the feelings that you put me through

I'll build a rocket to fly across in  
Fly across the trouble we know, yeah

I'll find my freedom, and with my freedom  
I'll go wherever I choose yes

I don't wanna hear the voices  
I don't wanna leave again  
One good pass and I'll be gone from here  
One good run and I'll be free

Got a rocket, in my pocket  
Don't think I'll turn anyone in

It's my one thing, it's my one thing  
I believe it can get me through yes

I'll refine it, they'll refine it  
From this one horse town I know yeah

Get out of jail, with the bail here  
It's the bail that I procured yes
