i been walkin a couple of miles  
i found some jacks and some tiles  
in school my subject was about reptiles  
called up my shorty  
she put up a smile  
after i met a girl named nicole  
They call her boochie  
didn't wanna shop nowhere but Gucci (but gucci)  
And Burberry and Proda was her style (ok)  
I'm tryin to tell yall that shorty could get down (uh-wow)  
Conversations Amazing  
In my phone, shorty's in heavy rotation (4-sho)  
Thinkin to myself like, this is the one  
Broke her down, told shorty how to do this hun! (4-sho)  
Neva gave her tha cold shoulda'  
if she's in the benz, I let her take ova' the Rova (vrrm-  
Vrrm!)  
Then it's off to the movies, tell her  
i'm like Austin, Let's get Groovyyyy!  
From tha movies to tha crib  
Git her keys for the Hersh that's what I did, And! (ok)  
I'll find me another one  
more interesting, more fun  
Tha man has just begun!
