I been thinkin of my girl  
She beautiful like the world  
I aint chingy but she make sexy get in to her

Yeah that's right  
her booty makes her tight  
Everything is aight  
We like ice cream  
My ex was like a chocolate beauty queen  
Make me wanna scream (ah-ha)  
I see her in all my dreams  
Wait hold UP  
REMIX!!!!

Yeah yeah yeah

I saw her every time  
She is up in my mind  
But still  
Im thinking of her behind  
I know you guys like my sick\*\*\*rhymes  
But we still seeing each other  
I'll show you a clip of my crazed jump shot brother  
I got my first single  
My chain make my ring go  
Bling bling  
Look at all my cash  
Chuk chuk ching  
Rapping evvertime  
I made my verse  
So I can sing

I been thinkin of my girl  
She's more beautiful than the world  
Acopela fo yall  
Get down tonight  
We can go ball  
Get in touch with you so i can call

If you scared  
Im a kill the dead

I ain't gone let all the pain go to your head  
I'll still love you even though you didn't read,  
All the letters I sent  
Are you happy that you don't have to pay rent  
Come on girl show me some love  
I can't do anything that will bug  
Now im numba one  
Come on get crunk  
Im rapping platnum  
Kiss mouth to mouth  
U can gimme that gun

I been thinkin of my girl  
She's more beautiful than the world  
Acopela fo yall  
Get down tonight  
We can go ball  
Get in touch with you so i can call

Oh baby u no I love you  
I will be always thinkin of you  
Call you my boo  
Transfer numba 3 to numba 2  
Yeah that's cool  
Don't wanna go but I have to go to school  
I am lonely in class  
I listened to rap  
While they listened to jazz  
I like R&B also  
Your fat friend so fat I should call him no muscles  
Don't gamble with me cause you goin be hustled  
You betta listen rustle

I been thinkin of my girl  
She's more beautiful than the world  
Acopela fo yall  
Get down tonight  
We can go ball  
Get in touch with you so i can call
