SWV

I don't know what it is that you've done to me

But it's caused me to act in such a crazy way

Whatever it is that you do when you do what you do to  
me

It's a feeling that I want to stay

REFRAIN:

Now my heart starts beating triple time

With thoughts of loving you on my mind

I can't figure out just what to do

When the problem here is you

CHORUS:

I get so weak in the knees

I can hardly speak

I lose all control

It's something comes over me

In a daze, it is so amazing

It's not a phase, I want you to stay with me

By my side, I swallow my pride

Your love is so sweet, it knocks me right off my feet

Can't explain why your love just makes me weak

Time after time after time I tried to fight it

But your love is strong

It keeps me holdin' on

Resistance is down when you're around my ba-a-by

In my condition, I don't want to be alone

REFRAIN:

Now my heart starts beating triple time

With thoughts of loving you on my mind

I can't figure out just what to do

When the problem here is you

CHORUS:

I get so weak in the knees

I can hardly speak

I lose all control

It's something comes over me

In a daze, it is so amazing

It's not a phase, I want you to stay with me

By my side, I swallow my pride

Your love is so sweet, it knocks me right off my feet

Can't explain why your love just makes me weak

I get so weak

Blood starts racing through my veins (I get so weak)

Ooh, it's something I can't explain (I get so weak)

Something 'bout the way you do

The things you do...

Knocks me right (off my feet)

Can't explain why your love just makes me weak

I don't know what it is that you're done to me

But it's caused me to act in such a crazy way

Whatever it is that you do when you what you're doin

It's a feeling that I want to stay

REFRAIN:

Now my heart starts beating triple time

With thoughts of loving you on my mind

I can't figure out just what to do

When the problem here is you
