If I Didn't Know The Answer... They'd Say To Find It In
The Book
But When I Couldn't Find The Answer.. They Told Me
That I Didn't Look
Some Say The Answer's Never Easy... Some Say The
Answer's Never Hard
If I Could Only Find The Answer...
Choras #1 Answer You, Answer Me... Can You Find The
Answer, Please?
The Answers That I Await... Seem To Always Come To
Laa..ate
It's Subject To Interpretation... The Answer's Never Very
Clear
But If We're Gonna Save A Nation ..Let's Save The One
We've Got Right Here
Some Say The Answer's In A Bottle... Some Say The
Answer's In A Line
Some Say We'll Never Find The Answer...
Repeat Choras #1
Once, I Thought I Had The Answer... Once, I Thought I
Never Knew
Now I Think I Know The Answer... It Comes From Inside
Me And You
Choras #2 Answer You, Answer Me... I Think We Can All
Agree
(Repeat 2x) The Answers We Live Without... Are What
Life Is All About
