OOOOOOHHHHH  
Kiss me too fiercely  
Hold me too tight  
I need help believing  
You're with me tonight.  
My wildest dreamings  
Could not foresee  
Lying beside you  
With you wanting me.

Just for this moment  
As long as you're mine  
I've lost all resistance  
And crossed some borderline  
And if it turns out  
It's over too fast  
I'll make every last moment last  
As long as you're mine

Maybe I'm brainless  
Maybe I'm wise  
But you've got me seeing  
Through different eyes  
Somehow I've fallen  
Under your spell

And somehow I'm feeling  
It's up that I fell

Every moment  
As long as your mine  
I'll wake up my body  
And make up for lost time

Say there's no future  
For us as a pair

And though I may know  
I don't care

Just for this moment  
As long as you're mine

Come be how you want to  
And see how bright we shine  
Borrow the moonlight  
Until it is through  
And know I'll be here  
Holding you  
As long as you're mine

What is it

It's just for the first time  
I feel...wicked
