Elphy:

Unlimited...

Just look at me

I'm limited

And just look at you

You can do all I couldn't do,

Glinda

Now it's up to you

For both of us.

Now it's up to you.

Glinda:

I've heard it said

That people come into our lives

For a reason

Bringing something we must learn

And we are lent to those

Who help us most to grow

If we let them

And we help them in return

Well, I don't know if I believe that's true

But I know I'm who I am today

Because I knew you.

Like a comet pulled from orbit

As it passes a sun.

Like a stream that meets a boulder

Halfway through the wood

Who can say if I've been changed for the better

Because I knew you

I have been changed for good.

Elphy:

It well may be

That we will never meet again

In this lifetime.

So let me say before we part

So much of me

Is made of what I learned from you

You'll be with me

Like a handprint on my heart

And now whatever way our stories end

I know you have rewritten mine  
By being my friend.

Like a ship blown from its mooring

By a wind off the sea.  
Like a seed dropped by a skybird  
In a distant wood  
Who can say if I've been changed for the better  
Because I knew you

Glinda:  
Because I knew you

Together:  
I have been changed for good.

Elphy:  
And just to clear the air  
I ask forgiveness for the things I've done you blame me  
for.

Glinda:  
But then, I guess,  
We know there's blame to share

Together:  
And none of it seems to matter anymore

(Together)  
Glinda:  
Like a comet pulled from orbit  
As it passes a sun  
Like a stream that meets a boulder  
Halfway through the wood

Elphy:  
Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a skybird in a distant wood

Together:  
Who can say  
If I've been changed for the better  
I do believe I have been changed for the better

Glinda:  
Because I knew you...

Elphy:  
Because I knew you...

Together:  
Because I knew you,  
I have been changed  
For good.
