[Intro: Tupac Talking]

I wanted to bring back that reality  
Nobody can ever be confused and think I'm fuckin Mike  
Tyson  
And I'm the heavyweight champion, I'm a little nigga  
That's why its so raw to just watch me battle lions  
Cause I'm a little skinny nigga battlin' niggaz three  
times my size

Watch this uppercut, here it comes..  
Watch the jab nigga...ugh...here it come  
Look out, watch my arms..

[Verse 1: 2Pac]

Now see so many motherfuckers wanna take a peice  
Commin' equipped with some shit that niggaz just can't  
believe  
I pull a trick from my sleeve now kamikaze  
I'm all over that nigga, come identify the body  
My middle finger to you hoe niggaz  
Run up on me, and I'll be forced to let it go nigga  
I ain't the one you wanna try, why, stayin' high  
I hit this blunt and watch these motherfuckers die  
Whose runnin these streets I said that cocaine  
Cause in the dope game, niggaz'll die 'fore they go  
broke mayne  
Another hustler makin' major cash  
'til the punk police come an raid ya ass  
Now you stressed doin' fed time  
and its a bitch 'cause the judge gave you 8 years  
You doin 6 and we know that you can't hang  
You a trick rolled over turned snitch like a biatchhhh

[Chorus: 2Pac]

Now you know you shoulda ducked nigga  
Gotchu fallin from the uppercut, fucked, so what's up?  
nigga!  
Now you know you shoulda ducked nigga  
Gotchu fallin' from this uppercut, stuck, so what's up?  
nigga!

[Verse 2: 2Pac]

They got a nigga in the dice game  
I'm feelin' lucky but the nigga just a little bigger  
He tryin fuck me out my cash, ima blast nigga  
He don't know I gotta tell ya like the last nigga  
Gotta go don't need to roll for the truck, I get 'em up  
Left to right, my uppercut'll hit 'em up (ha)  
I'm known to walk the streets on any block  
I love my niggaz, but I ain't puttin down my glock  
The gun shots rang when I lose nigga, and ooh nigga  
Ima show you not to ever play a true nigga (haha)  
Lay it down just to prove it  
And fuck the rappin motherfucker we can do this

[Chorus: 2Pac]

Now you know you shoulda ducked nigga  
Gotchu fallin from the uppercut, fucked, so what's up?  
nigga!  
Now you know you shoulda ducked nigga  
Gotchu fallin' from this uppercut, stuck, so what's up?  
nigga!

[Verse 3: E.D.I. and Young Noble of the Outlawz]

They claim that we violent, we named after tyrants  
This revolution won't be televised, we keep it silent  
(shh)  
Roll on our enemies, beat 'em at they own game  
Molotov cocktails, release an up in flames  
Tired of bein' stepped on, sick of bein' held back  
Lookin' through my rear view, thinkin' bout the pay back  
Wanna see my kids grow don't know if ima make it  
though  
One more nigga came up short in the ghetto  
Society lied to me so I'm strapped with the metal  
Push ya middle finger up nigga if you a rebel  
Have ya face down goin' in ya pockets if ya let em'  
I done lost too many homies for me to ever forget em'  
I done made so many mistakes but still I don't regret  
em'  
I'm a product of the pimp, the pusher, and the  
reverend  
I'm a product of the block, the fiends, and the felons  
We all lost souls tryina find our way to heaven

[Chorus: 2Pac]

Now you know you shoulda ducked nigga  
Gotchu fallin from the uppercut, fucked, so what's up?  
nigga!  
Now you know you shoulda ducked nigga  
Gotchu fallin' from this uppercut, stuck, so what's up?  
nigga!

[Outro: E.D.I. Talking]

To all the comrads no longer with us, see you when we  
get there

'Pac, Yak, we gon' keep on ridin', give these cowards  
the uppercut

'Til we get up there with y'all, YOU KNOW!

Thug Life we still livin it

Outlaw for life, in the name of the Don, let's go!
