Bleed All over Me

I love your pain
And how it makes me feel inside
I love your pain
And how it opens you so wide

And I love the way
You bleed all over
All over me
And I love the way
Your aching sits in
My heart seat

I crave your pain
And how it soaks me in
I crave your pain
Cause I'm its only friend

And I need the way
You bleed all over
All over me
And I need the way
You feed my hunger
My hunger's greed

Can I hold your suffering
Let me feel your suffering
Can I touch your suffering

And I love the way
You bleed all over
All over me
And I need the way
You bleed all over
All over me

I love the way
You suffer
I love the way
You bleed

Come bleed all over me
