Verse 1:

I can only feel inside the way things seem to feel to me,
which is so different from truth, so different from what
you say. I am complex; a labyrinth that's flexed. my
heart's full of light that's aureatly shine most the time.

Chorus:

But i'll swallow your sun and i'll pull down the moon and
i'll kill all my demons to taste of your fruit "only you"
Only you, can save me from myself.

Verse 2

Your love is as fast as the sky. My heart is deep as the
ocean. With friction and motion, creates such
commotion inside. Inside.

Chorus:

But i'll swallow your sun and i'll pull down the moon and
i'll kill all my demons to taste of your fruit "only you"
Only you, can save me from myself.

Verse 3

I never knew I could love so deep. I never meant to be
so weak.

"Never knew"

I could love so deep.

"Never meant"

To be so weak.

"Love the way"

You protect me from challenges that seek me.

Chorus:

But i'll swallow your sun and i'll pull down the moon and
i'll kill all my demons to taste of your fruit "only you"
Only you, can save me from myself.

Bridge:

When we can see your face, I know I'm well at Heaven's
grace.

To have such a strong man, put his heart right in my
hand.
