Forgive me for all the sins that I've done  
I know it was so wrong  
Although I had much fun  
I have changed

Yesterday don't mean shit today  
Yesterday don't mean shit today  
Yesterday don't mean shit today  
Forget about the pain and walk away

Yesterday don't mean shit today  
Yesterday don't mean shit today  
Yesterday don't mean shit today  
People try to play you but they're all deranged

I can only be what you see  
I hate the way my wrongs haunt  
The way you let them haunt me  
I'm no the same

I'm not the same  
Leave me alone  
I'm not the same  
I'm not the same  
Better chill, stay outta my way  
I'm not the same  
I'm me, it's how it's gonna be

Yesterday don't mean shit today  
Yesterday don't mean shit today  
Yesterday don't mean shit today  
Forget about the pain and walk away

Yesterday don't mean shit  
Yesterday don't mean shit  
Yesterday don't mean shit  
Yesterday don't mean shit

People try to play you but they're all deranged  
People try to play you but they're all deranged  
People try to play you but they're all deranged

Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone
