Love, your boat's lost at sea  
I stand on the shore  
In the warm summer eve  
Waiting for you, waiting for you  
To come home to me

Love, it's sometimes a shame  
I walk through the field  
In the cold autumn rain  
Longing to hear, longing to hear  
You call out my name

Fire on the water  
And smoke in the sky  
I'll leave the lamp burning  
In case you drop by

Time slips slowly away  
I stand in the window  
Well they all think I'm crazy  
For waiting for you, for waiting for you  
For waiting...  
To come home to me

Fire on the water  
And smoke in the sky  
I'll leave the lamp burning  
In case you drop by

Love, I live in a dream  
Night after night, day after day  
Still can't believe, still can't believe  
Your boat's lost at sea  
Your boat's lost at sea  
Your boat's lost at sea

I'll leave the lamp burning  
Your boat's lost at sea

I been livin' on  
Livin' on, livin' on the edge

My boat's lost at sea  
Your boat's lost at sea.
