This is a service public announcement going out to all
the paper haters

Now sure sure sure your broke sure sure sure your
having problems

Food stamps didn't come on time and the lights have
been cut off

But look here

[Snoop]

Here's a little something about a nigga like me

I never should have been let out the penitentiary

Snoop Dogg would like to say

That I'm a crazy motherfucker when I'm playing
with my AK

Since I was a youth I smoked weed out

Now I'm that motherfucker y'all read about

Smoking you and your crew, taking a life or two

You dont like how I'm living well fuck you

This is my gang nigga No Limit

My nigga C will fuck you up in a minute

With the pow pow bang bang and your dead

And then we stamp that tank on your forehead

Everywhere we go they say "DAMN"

Them gangstas they be fucking up the program

And then you realize we dont care

We dont just say no we to busy saying yeah

About drinking straight out the ???? bottle

Do I look like a motherfucking role model

To a kid looking up to me

Shit life aint nothing but weed and money

Shit IÃ, 'm that type of nigga thatÃ, 's quick to blast

Fuck with me or C and IÃ, 'll put my foot in your ass

I dont give a fuck cause I keep selling

Yo what the fuck are the yelling

[Chorus] x2

Gangsta Gangsta Thats what the yelling

Niggas living rowdy and stay bout it bout it

Gangsta Gangsta Thats what the selling

Bitches want to buy it cause they love that straight G
shit

[Snoop]

Homies all standing around just hanging

Some dope dealing some gang banging

We decide to roll a week deep

Seen a nigga on Dayton so we creep

Real slow, in you before you know

I had my double pointing at his window

He got scared and hit the gas

Right then I knew I had to smoke his ass

He kept rolling I jumped in the bucket
We couldn't catch him so I said fuck it
Then we headed right back to ????
Sweating all the bitches in the dizzy dukes
We couldn't no play from the ladies
With seven niggas in a Nav is you crazy
She was scared and it was showing
So we all said "FUCK YOU BITCH" and kept rolling
To the hood now we was 'fen to
Find something else to get into
Like some pussy or in fact
Getting rowdy, shit but we caught the rat pack
On a nigga cold nutting it off
Snoop Dogg gets ignorant when I'm fucking with my
tank dogs
I might stumble and still won't lose
Now I'm draped in my gangsta blue's
Cause I'm the type of nigga who's quick to blast
Fuck with me or C and I'll blast your ass
See I don't give a fuck cause I keep bailing
Yo what the fuck are they yelling
[Chorus] x1
[Snoop Talking]
Hol hold on Craig B cut that shit man
Man fuck that we need some gangsta in this

[Snoop]

A T-shirt and LeviÃ, 's is his only disguise

He represents the tank but yet hard to hit

Snoop Dogg and C-Murder with this gangsta shit

[C-Murder]

Well IÃ, 'm C-Murder the one he talking about

Nigga tried to play me close and got punched in the mouth

FedÃ, 's tried to get me you know they some haters

I said "See you later" jumped in the Navigator

With the \$50Ã, 's in the back with the navy blue top

TRU niggas on the scene with the triple beam

Cause IÃ, 'm the C fool I slang and Snoop bang

And IÃ, 'll smoke a motherfucker like it aint no thing

To all my bitches, I know your jocking my crew

[Girls]

You see No Limit niggas dont take no shit

So let me tell you motherfuckers who you fucking with

Cause IÃ, 'm the type of nigga thatÃ, 's quick to blast

If you fuck with me, IÃ, 'm a smoke your ass

I dont give a fuck cause No Limit stay selling

Yo what the fuck are they yelling

[Chorus] x1

[Eddie Talking]

If youÃ,d of just stay down and been a motherfuckers

wouldnÃ,t have had tat problem

But seeing as you want to jump ship and you thought
the ship would sink

a motherfucker without turning into a submarine, went
under water came

Now you have no paper, and now you on a paper caper

Now you coming up to my face and your saying "Hey
