You were born, your brother's keeper  
Why can I see blood on your hands?  
You became your brother's slayer  
Embrace again in death

At the end of all this hatred lies even deeper hate  
Their darkness has defeated you  
Your lifeline running backwards

Remember sins of our fathers  
A requiem for the countless dead  
Blood is on your hands, the wages of sin

Future's eyes closing now  
Soul eclipse taking place  
Laments rise, tears of the dead  
From the other side of the grave

You were born your brothers keeper  
Why can I see blood on your hands?  
Their darkness has defeated you  
Your lifeline running backwards

Remember sins of our fathers  
A requiem for the countless dead  
Blood is on your hands, the wages of sin

Future's eyes closing now  
Soul eclipse taking place  
Laments rise, tears of the dead  
From the other side of the grave  
From the other side of the grave

Blood is on your hands  
The wages of sin
