

## Arch Enemy "Carry The Cross"

Visit "[Carry The Cross](#)" on MotoLyrics.com

We walk through the ages  
The world on our shoulders  
The burden we carry  
To the dark end of our days  
A thousand eyes watching  
every step we are taking  
waiting to see us  
struggle and fall

And when we are beaten  
The cross holds us down  
I hear them laughing  
And walking away

Carry the Cross  
And suffer the loss  
Hear my confession  
Forever damnation

Reincarnation  
Bleeding forever  
Recover the pain  
Pain gives me strength  
Pick up the cross  
And carry it on  
Over and over  
the wheel turns again

And when we are beaten  
The cross holds us down  
I hear them laughing  
And walking Away

Carry the cross  
And suffer the loss  
Hear my confession  
Forever damnation
