Divine queen of evil
Sowing her seeds of hate
Mistress of pain
Diva Satanica " Master of temptation
Chorus:

Medusa! abuser! both beast and beauty
Seducer! she'll use you! bring you to your
knees

Blinded by her infinite beauty
You are lured into the temple
The smell of incense burning
Bride of Satan
This carnal pleasure yearning
Too late you realise
Transgress the rules of this world
This love is ripping you apart

Chorus:
Medusa! abuser! both beast and beauty
Drinking the blood
Eating the flesh
Seducer! she'll use you! as fodder for her
dreams
She's getting high on you
! There is always more blood to spill
Watching you
die gives her a thrill
