On the fields of desolation

We are all alone

Crying in each others arms

In fear of the unknown

Feelings of uncertainty

We are all doomed

To live in solitude

And never ending gloom

On the fields of desolation

Eternal life or termination

Why don't you cover me

I need your sanctuary

This sea I'm drowning in

Might be where the end begins

In times of grief and sadness

We're searching for the light

Seek for a place of safety

Seek for a place to hide

God turned his back on man

In divine resignation

Torn between two believes

Eternal life or termination?

As we drown in darkness

Weak and depraved

On our final journey

Too late to be saved

We've gone through places
Where the cold wind blows
Is this the end of it all
I don't know, I don't know
