

Arch Enemy "Lament Of Mortal Soul"

Visit "[Lament Of Mortal Soul](#)" on MotoLyrics.com

I am forced to creep down the path
Of my sad and senseless life
Darkness surrounds me
At the end of the tunnel
There is no light

A blackened void, nothingness

Lament of a mortal soul
Who am I?
Only dust in the blowing wind
Am I dying?

My name dies slowly
Echoes into eternal oblivion
Replaced by others
Easily forgotten
I hate my empty existence

A blackened void, nothingness

1st Lead - Christopher Amott
2nd Lead - Michael Amott

Lament of a mortal soul
Who am I?
Only dust in the blowing wind
...I am dying!
