I am hunting for your soul  
It dwells within your heart  
I lacerate your pounding flesh  
Your spirits shall be mine

So rise my spirits rise  
Revel in this dead man's body  
Grip his soul, sip the blood  
Life in death  
A holy carnage

Ravenous  
I will be a god  
Carnivorous Jesus  
I need your flesh

Ritual slaughter  
Fill up the chalice  
With the essence of your life  
Liquid strengths trapped in your veins  
I crave your blood  
You must die

Ravenous  
I will be a god  
Carnivorous Jesus  
I need your flesh

Flesh
