

Arch Enemy "Slaves Of Yesterday"

Monuments of dying dreams
As far away as Eden
These hours standing still
Finding comfort in a distant past

Slaves of yesterday
You are blind
Blind to the sunrise

A roaming spirit, forever lost
Among the living
Walking down the fatal road
Cursed to be left behind

Slaves of yesterday
You are blind
Blind to the sunrise

Lead melody - Christopher Amott
Lead - Christopher Amott

Slaves of yesterday
Slaves of yesterday

Outro Lead - Michael Amott

Slaves of yesterday
You are blind
Blind to the sunrise (x2)
