Look out, here's star breaker
Cruisin' into town
Set his mind to stealin'
Every heart around
Step out on the sidewalks
If you're feeling game
He comes but once a lifetime
Never seen again

Star breaker
Glides in from the sky
Star breaker
Takes you up so high

Paradise is waiting
For the chosen few
Let's hope maybe this time
He picks me and you
Star voyage to a new world
Light year miles away
Cross your fingers, here he is
Take us now this day

Star breaker
Glides in from the sky
Star breaker
Takes you up so high

Star breaker, take my hand
Star breaker, understand
Star breaker, you're the one
Star breaker, lead us on and on

Look out, here's star breaker
Cruisin' into town
Set his mind to stealing
Every heart around
Step out on the sidewalks
If you're feeling game
He comes but once a lifetime
Never ever seen again

Star breaker
Glides in from the sky
Star breaker
Takes you up so high

Star breaker
Glides in from the sky
Star breaker
Takes you up so high

Star breaker
Star breaker
Star breaker
