The delusion of the finer quest
The truth beyond the flesh
Freezing the path to dreams
The path has failed my desire
My Shreik, An evil lie
My journey is begining
A desperate Race to the calling of flaow

To the Begers
Surrender I will not
The last enemy has fallen
Here I am To conquer demonic soul
The last enemy has fallen
Here i stand to conquer demonic soul

A demonic Silence
Breed and burn the cross
My immortal self
Sings the words of the night
The stains of the poisoned one
Blood runs dry
See Me Die
To rise up again!

To the begers
Surrender i will not
the last enemy has fallen
Here i am, to conquer demonic soul
The last enemy has fallen
Here i stand, to conquer demonic soul

Desire
Decay
I Rise
Again

YEAHO!!!!!!!!!!!!!!!!!!!!!!

To the begers
Surrender i will not

The last enemy has fallen
here i am, to conquer demonic soul
the last enemy has fallen
here i stand to conquer demonic soul
