Tear down the walls  
Wake up the world  
Ignorance is not... Bliss  
So fed up with the Second best  
Our time, Is here and now

I am the enemy  
I am the antidote  
Watch me closely  
I Will Stand up... NOW!

We Will Rise  
Above (x2)

Stereotype fools  
Playing the game  
Nothing Unique  
They all look the same  
In this Sea of Mediocrity  
I can be anything  
Anything I want to be

I am the enemy  
I am the antidote  
Watch me closely  
I will stand up... NOW!

We Will Rise  
Above

We Will Rise

We Will Rise

I am the Enemy  
(I am the Enemy)  
I am the Antidote  
(I am the Antidote)

We Will Rise  
Above

We Will Rise

We Will Rise  
Rise Above

We Will Rise
