"Leave A Light On"

Did I say too much?
Did I need a crutch?
Have I been out of touch again?
Did I let you down?
Dissin' on your town?
Do you miss me not around?

Leave a light on for me,
You know I'm gonna make it right
Leave a light on for me tonight

Was my answer wrong?
Did I take too long?
Was my faith not quite strong enough for you?
Tell me should I try?
I've got so many questions in my mind
I still can't say goodbye

Leave a light on for me,
You know I'm gonna make it right
Leave a light on for me tonight

Did I say too much?
Sometimes I say too much,
Have I been out of touch for too long baby?
Don't you worry about me,
Cause I'll be runnin' with the free
Chasing my destiny
