[The-Dream] Oh oh oh Who is this? Close the door Gon'
lit it That's for sure Gonna lay you out And I know you'll
love how a nigga break it down And everytime I'm with
her her I get her her love drunk (hardly going away)
And everytime she wit me me she get me me love
drunk [Snoop Dogg - each line x2] You know who I am
I'm the motherfucking dogg The sheets fucked up and
you know it was me You can hear the bed squeak all
the way down the street And it sounds like a song
cause we're fucking to the beat I put my rat tat tat in
her boom boom pow And then she put her tit tit tit all up
in my mouth [Snoop Dogg] I might've said it before I
don't love them hoes I told you before I don't love them
hoes But she got that good good I can't let her go And I
got to let her know that [Chorus: The-Dream] And
everytime I'm with her her I get her her love drunk
(hardly going away) And everytime she wit me me she
get me me love drunk (love drunk) Mmmm she make
me say good love is what she's fiending for And I got
that fire loving The more you need the more Let me
hear you say oooh, ahah, oh yeah Right now everytime
she's with me we all dizzy We love drunk [Snoop Dogg -
each line x2] Shoot to the spot cause the spot is the lim'
On your lunchbreak let me hit it real quick And back to
your job 'fore they know what it is Loving so good we
done made three kids I don't know what it is but I love
what it did Hugging and touching and all that shit Drink
'til you're drunk, see my love is a fill Yeah this for you
boo, it's a gift [Chorus]
